

# Gathering Herring Eggs

Goldbelt Heritage Foundation  
United States Department of Education  
Alaska Native Education Programs  
Alaska Native Award #S356A090050  
Wooch. een "Together We Can"

We went home.

We tied the buoy on  
the tree.

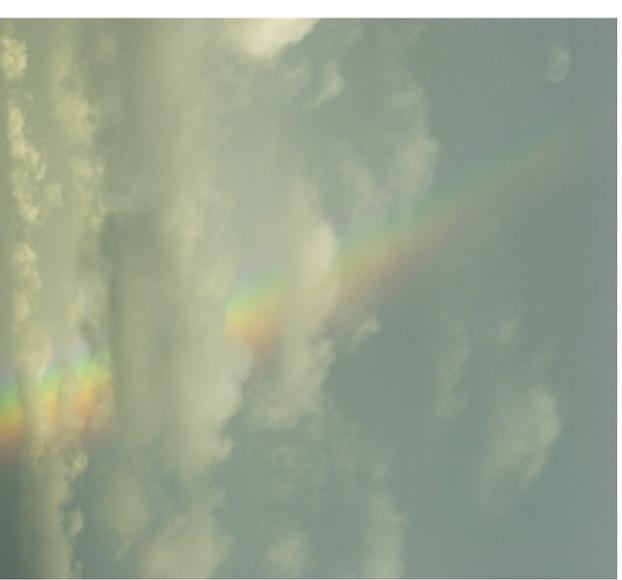

### *Gathering Herring Eggs*

98 words

DRA Level 10

*We went to a cove where  
herring spawn and put the  
tree in the water.*

*We saw a rainbow.*

This book is intended to accompany the "Herring" K-2  
or the "Hemlock" K-2 cultural curriculum unit.

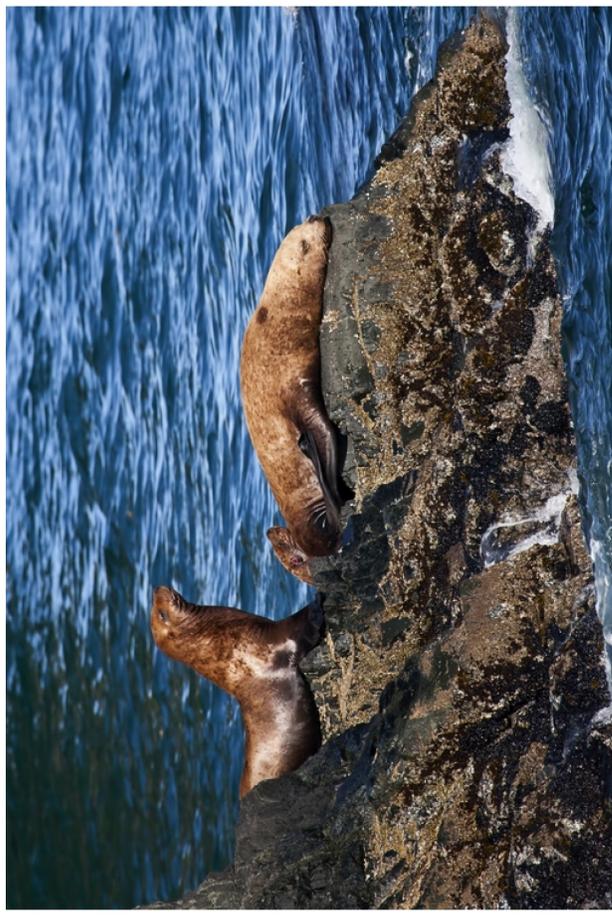

# Gathering Herring Eggs

By Justin Jones

Photographs by Laird Jones

We saw humpback whales.

We saw sea lions.

We went on Poppa's boat.

We saw eagles.

We gave a box of the eggs to my aunties and uncles.

We saw lots of seagulls.

Mmmmm! We ate the eggs.

We took a hemlock tree, an anchor and a buoy.

---

**We tied the anchor on  
the tree.**

**After three  
days we pulled  
up the tree.  
It was covered  
with herring  
eggs.**
